2. I called [REDACTED] and he stated he has received no new instructions on preparing status of funds for OSP accounts and does not obligate from Twx or other informal documents.

3. I called [REDACTED] and stated that we were concerned about sending [REDACTED] two sets of figures on obligations. I told him I can understand differences caused by Twx obligations, however, there are other types involved. He agreed in principle, however, stated he would like to discuss the matter with [REDACTED] and in the meanwhile, would get together with me to review the differences.
